Dear Coppertone:

About a year ago I sent you a letter expressing my willingness to serve as a human guinea pig to determine if your product has any adverse affects upon direct contact with an eyeball. I also volunteered the services of my young nephew or niece in the same capacity.

I have not yet heard back from you and I wanted to let you know that my offer still stands. I am enclosing a copy of that original letter for your review in case it has been lost. Please let me know if I may be of service to you and your company.

Sincerely,

A handwritten signature in cursive script that reads "Rusty Lucas".

Rusty Lucas

p.s. I would still like a baseball cap.
