ATTN: Exhibition Season Scheduling

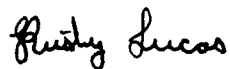

Dear NHL:

About 11 months ago I wrote a letter to you about my desire to bring NHL hockey to Sandusky, Ohio. Almost a year has passed since I wrote that letter and, noting that the league is in the middle of a lockout season, I thought it might be about time that I followed up my previous letter.

I am well on my way to finding out all the permits that I need (refer to my letter of 02-14-04, a copy is enclosed), but I still need to hear from your offices and include a copy of your written response in my proposal to the City Commission.

Please respond as soon as possible and address these issues and those in my earlier letter!

Sincerely,

Rusty Lucas

p.s. I would still like a baseball cap.
