ATTN: Toad Campaign

Dear Ms Pilarczyk:

Last Spring you were campaigning to have toads named as the official amphibian for the state of Ohio. I submitted a petition idea to you, but I never heard back from you on that. (I have enclosed a copy of my letter to you so that you can refresh your memory).

Has the toad officially been declared the Ohio Amphibian? Do toads now have the same equal rights and recognition as frogs? Please let me know the status of this campaign and any other things I might do to help.

Sincerely,

Rusty Lucas

p.s. I would still like a baseball cap.
