Dear US Air:

We have now surpassed 101 years of flight. What a milestone! Roughly a year ago, I sent a letter to you offering my research services in tracing your company, US Air, directly back to Orville and Wilbur Wright. I have not yet heard back from you.

I am enclosing a copy of my previous letter for your review. Please contact me as soon as possible if you feel you can make use of my services.

Sincerely,

A handwritten signature in black ink that reads "Rusty Lucas". The signature is written in a cursive, slightly slanted style.

Rusty Lucas

p.s. I would still like a baseball cap.
