PREMIUM DRIED FRUITS

June 30, 2006

**Mr. Rusty Lucas
PO Box 422
Sandusky, OH 44871**

**Dear Mr. Lucas,
Thank you for contacting us in regards to your incident with our Mariani Premium Cherries. We are sorry to learn that you had a disappointing experience.**

The cherries arrive at our facility already pitted. We do inspect the cherries carefully for that lingering pit or stem prior to packaging. We also perform strict quality inspections to detect and remove foreign material. Although we do our best to remove pits or stems, occasionally a pit or stem may appear.

Because you are a valued customer, Mr. Lucas I am enclosing some samples of our other dried fruits for you to try as well as the baseball hat you requested for your George Washington memorabilia collection. On behalf of Mariani Packing Co., Inc. we hope this is to your complete satisfaction and that your valid concerns about our product quality have been addressed. We thank you for bringing this matter to our attention.

Sincerely,

Mariani Packing Company, Inc.
