Dear Mr. Lucas,

First let me offer an early HAPPY BIRTHDAY to Russell. We are sincerely happy you chose Six Flags Great Adventure as a place to hold your son's 6th birthday party.

Let me get right to the main question – price. The price to rent out Six Flags Great Adventure without public access would start in four million dollar range. This is based on an entire day as there is no way to close the park to our Guests for a few hours in the afternoon. We do offer other options for ride exit access that does not close the park to the public but that would make you and your party special VIP Guests of The Park.

I understand the importance you feel in allowing Russell to ride any ride he wishes, however, we have strict safety guidelines that must be adhered to and like Cedar Fair we will not budge on height restrictions.

The height restrictions for the rides you specified are as follows:

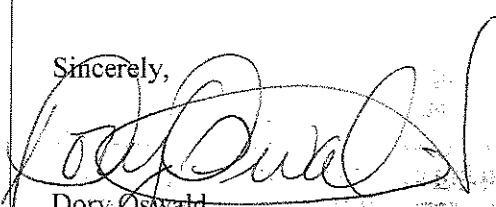

Kingda Ka, Superman: Ultimate Flight, Medusa and Nitro all have a minimum height requirement of 54 inches to ride. El Toro has a minimum height requirement of 48 inches to ride. Swamp Fox is located at the Family Kingdom Amusement Park in Myrtle Beach, SC. It compares to our Rolling Thunder which has a minimum height requirement of 44 inches to ride.

I have included a map of Six Flags Great Adventure which has a ride guide so you can see how many rides are available to Russell depending on his height.

I would be happy to discuss all the options with you. I have included my business card. Please feel free to call or email me at any time.

Thank you for your interest in Six Flags Great Adventure and Wild Safari. I look forward to hearing from you.

Sincerely,

Dory Oswald

Special Events Manager
