Dear Rusty,

Thank you for contacting us recently to express your suggestion in promoting Buick Products. We at General Motors sincerely appreciate receiving comments from our customers about our vehicle advertisement. Every comment, including yours, is given consideration as we prepare for future promotion.

General Motors also appreciate your interest and enthusiasm in seeking our sponsorship. We are committed to upholding our legacy of proactive corporate responsibility and sustainability, and to find innovative solutions to our society's economic, social and environmental challenges.

If you have any future comments or suggestions that you would like to share with us, we'd encourage you to visit us online at www.gm.com/experience/technology/innovations/.

Thank you for your interest in General Motors.

Sincerely,

General Motors Customer Assistance Center
