**DEAR RUSTY LUCAS,**

**This may be the best time to start a new and exciting career in Computer Technology!**

According to the US Department of Labor, jobs in the Computer Technology field are in great demand today and are projected to be for years to come. ....

Did you know you can get the education you need to excel in this high-tech field without disrupting your present job or lifestyle?

Whether you're interested in computer technology, electronics troubleshooting, A+ certification, wireless communications, computer programming or home automation, Cleveland Institute of Electronics has a distance learning career program that will put you ahead in these high-tech fields.

No prior experience is needed and you can do all of your training **at home** with FREE instructor support, hands-on training labs and on-line exams!

**Want to find out more?** Detach and mail the bottom portion of this letter to CIE and we'll rush you our latest career catalog - at no cost or obligation to you!

Let us show you how easy and affordable it is to learn through distance learning and take that next step to a new and rewarding career. You'll find it has many benefits.

To your future,

  
John Randall Drinko  
President
